

ORGANIZATION

HN 1 - 962

1. The Deputy Director (Research) is given primary responsibility for Agency ELINT activities subject to policy guidance from the Agency SIGINT officer. In order to further this activity, effective 4 June 1962 there is transferred to the Office of the Deputy Director (Research) the Special Projects Division of the Office of Scientific Intelligence. Such ELINT activities as are currently in the Office of Communications are transferred to the Deputy Director (Research). Such ELINT activities other than clandestine operations and liaison are transferred from the Deputy Director (Plans) to the Deputy Director (Research).
2. In order to provide the Deputy Director (Research) with necessary support for the accomplishment of his mission, Agency components are directed to provide substantive, operational and personnel support.
3. The Deputy Director (Research) is authorized to establish a Research and Development Division for the purpose of engaging in all fields of scientific research appropriate to the mission of the Agency, and to recruit such personnel as are necessary for the accomplishment of this mission.
4. The Deputy Director (Research) is authorized to establish a Scientific and Technical Career Service. Individuals in other components of the Agency may apply for membership in the Scientific and Technical Career Service with the concurrence of the head of their career service.
5. The Deputy Director (Research) will be kept fully advised of all research and development engaged in by any component.

1. c/ Executive Director			<p>Joan: these memoranda<sup>(three)</sup> were attachments to DD/R memo of 20 June to DCI which you had marked for return. (Actually it was the original of the Feb 62 memo which was attached.) I had this extra cy marked for destruction before I noticed your note, so best I could do was to return cc as they wanted the others filed here. You might want to get the first page of the memo retyped for neatness.</p>
